EIN BISSCHEN ZEIT.

DÖBLINGER GEMISCHTER SATZ „RESERVE“ 2015

Very ripe grapes from very old vines.
The essence of Grinzing and Sievering, harvested
three cold weeks after the main harvesting
season ended. Definitely much too early to drink
right now ... if you can overcome the temptation.
Grüner Veltliner, Riesling and Burgunder are
dominating from the very first - but if you are
willing to let the wine breathe for two or three
hours, an armada of many more grape varieties
calls for attention full-throated.
Only 500 bottles made.
